PREVIOUS SUCCESSFUL EVENTS IN HUNGARY

2018

Blockchain Budapest

In 2018, the conference gained global recognition when Nick Szabo, a legendary cryptographer and smart contract pioneer, attended as a keynote speaker.

With engaging presentations, expert panels, and hands-on workshops, the annual event became a hub for exploring the transformative potential of blockchain.

2024

Bitcoin Miskolc

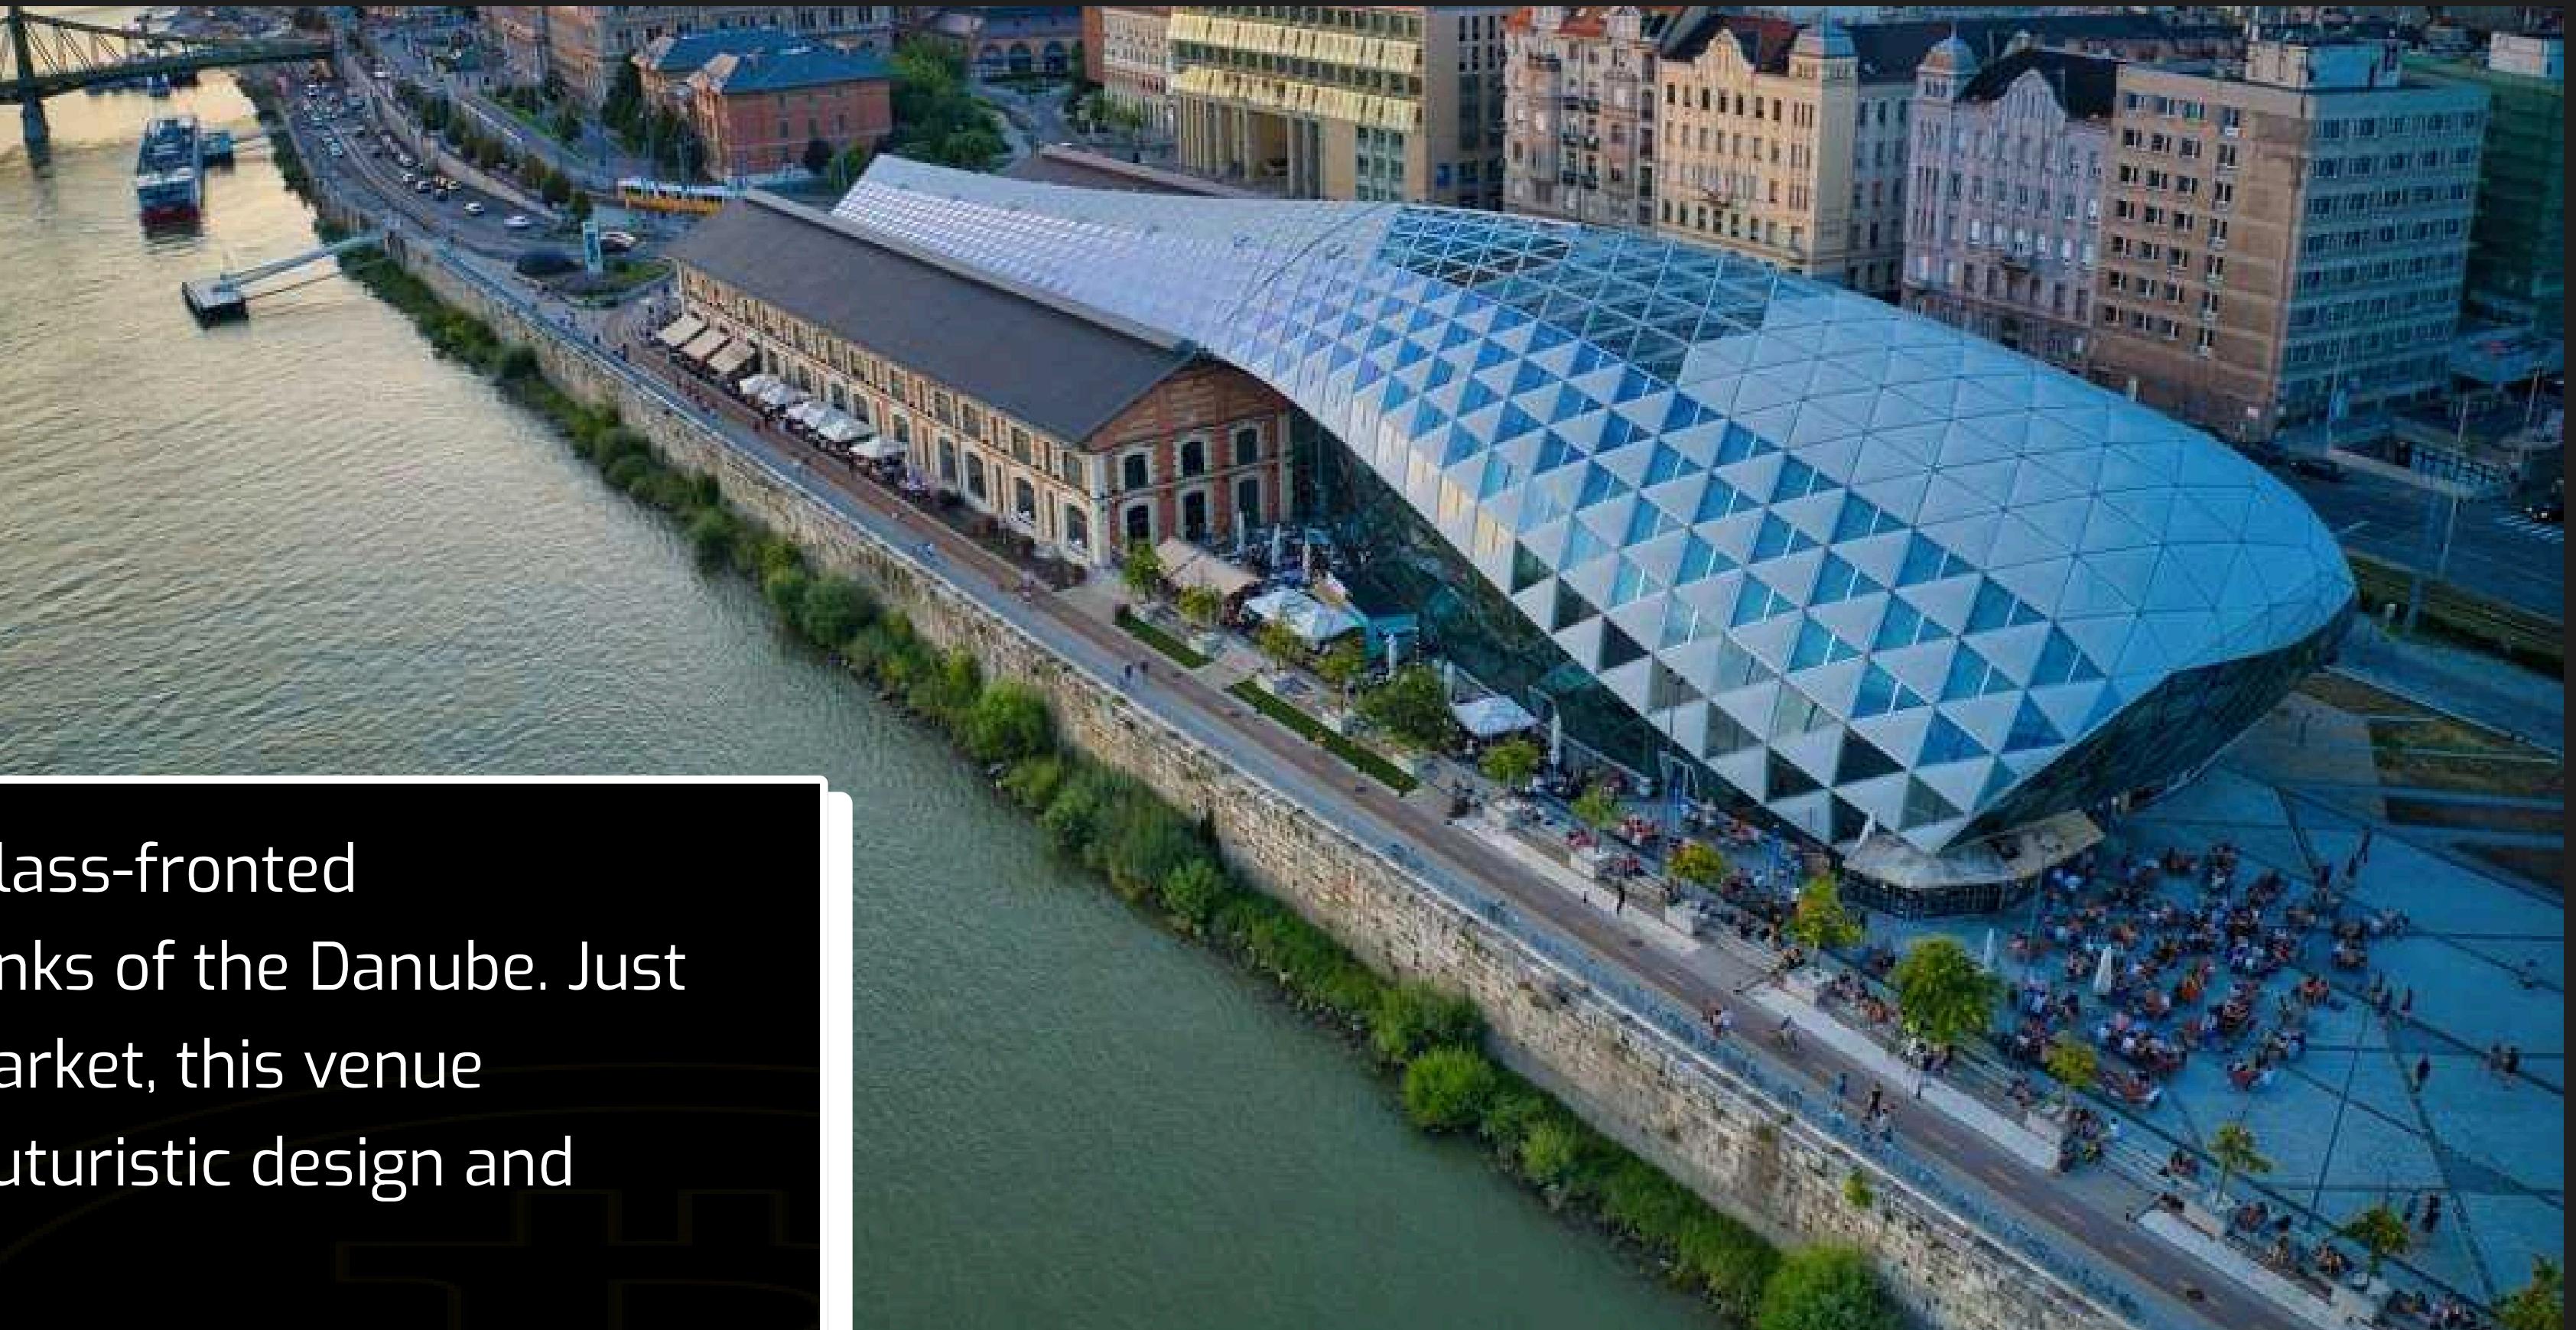

Hungary's first Bitcoin-only event was hosted at a forward-thinking hotel that accepts Bitcoin as payment. The event drew over 250 Hungarian attendees, including enthusiasts, developers, investors, and professionals, highlighting the country's rapidly growing interest in Bitcoin.

2024

AIBC Europe

In 2024, Budapest hosted the world's leading AI and blockchain conference. The event attracted over 9,000 attendees and served as a vibrant hub for discussing advancements in AI, blockchain, and emerging technologies.

THE ICONIC WHALE VENUE

The Bálna ('Whale') is a bold, glass-fronted architectural marvel on the banks of the Danube. Just as Bitcoin whales shape the market, this venue commands attention with its futuristic design and central location.

Partnership with Key Opinion Leaders

Partnerships with both international and local KOLs who have over 100,000 Hungarian followers.

Collaboration with The Most Listened Radio

Partnering with a HUN radio that boasts 1.5 million daily listeners, featuring a Bitcoiner presenter.

Building Engagement with Sziget Festival

Aligning with one of Europe's largest festivals, known for embracing the modern digital world, to connect with festival-goers.

Targeted Social Media Ads

Targeted ad campaigns to reach the European BTC audience.

Partnership with Global and Local Media

Collaborating with prominent platforms such as Cointelegraph, CoinDesk, Bitcoin Magazine, and others to enhance visibility.

European Bitcoin Tour

Joining forces with major Bitcoin conferences like BTC Prague and Baltic Honeybadger to create a collaborative tour, sharing audiences and amplifying impact.

ADVERTISING STRATEGIES

WHY BECOME A PARTNER

Did you know? There are already **200,000+** crypto HODLers in Hungary (mostly BTC). Take the lead in Hungary's BTC community and gain access to an UNTAPPED market with great growth potential.

Exposure and Network

Showcase your brand to a targeted audience of industry leaders and enthusiasts. Foster valuable relationships and generate high-quality leads.

Strategic Location

Establish credibility, connect with the European Bitcoin communities, and position your brand as a leader in the space.

Brand Recognition

Gain visibility through largest news portal, and KOLs, reaching millions.

Long-term Value

Build lasting relationships and partnerships that continue to deliver benefits well beyond the event.
